

entire island has lost power and many are without water. But, I would have cast my vote in opposition to this legislation before us today, which does not even come close to providing the robust relief that Puerto Rico needs. The Congress and this Administration need to step up and help Puerto Rico recover. However, this bill includes extraneous provisions that provide limited tax relief to 2017 hurricane victims while omitting natural disaster tax relief for victims of disasters from 2012 through 2016. The bill before us today completely circumvented the committee process, despite the fact that Representative REED and I have had legislation on comprehensive disaster tax relief for years.

NO on final passage of H.R. 2792, the Control Unlawful Fugitive Felons Act of 2017 (Roll Call No. 543). This bill would harm vulnerable seniors and individuals with disabilities by cutting off their live-saving Supplemental Security Income benefits without due process, and in many cases for offenses with low monetary values, probation violations for misdemeanor offenses, and unpaid court fees or fines. I voted in opposition to this bill when it was considered by the Committee on Ways and Means on September 13, 2017, and I would have opposed it again today.

YES on the Journal Vote.

CONGRATULATIONS TO STRAFFORD HIGH SCHOOL GIRLS BASKETBALL TEAM

HON. BILLY LONG

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 28, 2017

Mr. LONG. Mr. Speaker, I rise today to congratulate the 2017 Strafford High School Girls Basketball Team on an undefeated season that was topped off with a state championship title.

The Strafford Indians maintained absolute perfection throughout the 2017 girls basketball season, failing to lose a single game and finishing with an outstanding 33–0 win-loss record.

Strafford emerged victorious in March 2017 with a Missouri Class 3 girls basketball state championship. This is the Indian's second straight girls basketball state championship in a row after a title in 2016 as well.

I am honored to recognize the Strafford High School Girls Basketball Team on their magnificent season and dedication to hard work and excellence. On behalf of Missouri's 7th Congressional District, I ask all of my colleagues to join me in congratulating these impressive young women on their great season.

HONOR FLIGHT OF OREGON

HON. GREG WALDEN

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 28, 2017

Mr. WALDEN. Mr. Speaker, I rise to recognize the twenty World War II veterans and one Korean War veteran from Oregon who are visiting their memorial on the National Mall on Saturday, September 30th, 2017 through Honor Flight of Oregon. Every time I have the

chance to meet one of these heroes from the "Greatest Generation," I am reminded of the poignant words of General Dwight D. Eisenhower. In a message to Allied troops just before D-Day, he said, "The eyes of the world are upon you. The hopes and prayers of liberty-loving people everywhere march with you."

He was right then, of course, Mr. Speaker. But over seventy years later, liberty-loving people everywhere continue to owe these heroes for their extraordinary service and their incredible stories of sacrifice and bravery on behalf of our country. That's why it is my privilege to enter their names into the CONGRESSIONAL RECORD today.

The veterans on this Honor Flight from Oregon are as follows: William Cochran, Army; Warren Davis, Army; Richard Fultineer, Army; William Johnson, Army; John Ritz, Army; Jack Downs, Army Air Force; Lawrence Willis, Army Air Force; Charles Krieger, Marine Corps; Hiram Underwood, Marine Corps; Harry Howard Jr., Merchant Marine; John Webber, Merchant Marine; Raymond Ayers, Navy; Ernest Gallo, Navy; Paul Gessford, Navy; Lawrence Horton, Navy; Stanley Luther, Navy; Lester Manosar, Navy; Harold Simpson Sr., Navy; Orville Stoltz, Navy; Gerhard Tank, Navy; and Paul Vincent, Navy.

These twenty-one heroes join over 150,000 veterans who have been honored through the Honor Flight Network of volunteers nationwide since 2005.

I would also like to recognize the fourteen guardians traveling on this trip who have also served our country: Leon Clay Jr., Air Force; Charles Wills, Air Force; Ronald Kohl, Army and Air Force; Lyle Gessford, Army; Steven Howard, Army; Terry Wynkoop, Army; Gordon Wood, Marine Corps; Laurie Dutton, Navy; Terry Haines, Navy; David Haines, Navy; Chester Johnson, Navy; Larry Kennedy, Navy; Richard Santillie, Navy; and Tanya Wilson, Navy.

I would also like to recognize Richard Wing Jr., who served our Veterans for 36 years as an RN at the VA Hospital, in Palo Alto, California.

And, of course, none of this would be possible without Gail Yakopatz, the longtime President of Honor Flight of Oregon. Gail has assisted hundreds of veterans, has been a tireless advocate for Oregon's veterans and is someone I am proud to call my friend!

Mr. Speaker, at the height of the Civil War in 1863, President Abraham Lincoln wrote, "Honor to the Soldier, and Sailor everywhere, who bravely bears his country's cause." Each of us in this Chamber and in this nation should be humbled by the courage of these brave veterans who put themselves in harm's way for our country and way of life. As a nation, we can never fully repay the debt of gratitude owed to them for their honor, commitment, and sacrifice in defense of the freedoms we have today.

My colleagues, please join me in thanking these veterans and the volunteers of Honor Flight of Oregon for their exemplary dedication and service to this great country.

TINAMARIE SEYFER

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 28, 2017

Mr. PERLMUTTER. Mr. Speaker, I rise today to recognize and applaud Tinamarie Seyfer for receiving the City of Wheat Ridge's Member of the Year Award. This award recognizes businesses or individuals who have dedicated the past year for their contribution to the organization and the community, and are a positive reflection of the City of Wheat Ridge's values.

Tinamarie Seyfer spearheaded a new fundraising idea at the Wheat Ridge Holiday Lighting Ceremony—the tree auction. Tinamarie found groups and businesses to donate and decorate the trees for auction. She then worked to deliver the trees to the buyers' homes or offices. Tinamarie serves on the Wheat Ridge Business Association board and assisted with the 2017 Ridgefest Car Show along with her husband, Troy. Tinamarie and Troy also hosted one of the monthly "Biz Mix" networking events, as well as owning her own business, "Five Rings Financial."

I applaud Tinamarie Seyfer for being the recipient of this well-deserved honor by the City of Wheat Ridge, and I congratulate her on her success.

H.R. 3354

HON. SUZANNE BONAMICI

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 28, 2017

Ms. BONAMICI. Mr. Speaker, I rise today in strong opposition to H.R. 3354, the Make America Secure and Prosperous Appropriations Act. I am grateful to the Chairman and Ranking Member for including many of my policy priorities in the bill, but I cannot support the final measure because of the devastating cuts to education funding, environmental resources, and our nation's healthcare system.

In 2015, Congress passed the bipartisan Every Student Succeeds Act. It is our responsibility to provide the resources necessary for states and localities to fully serve students as authorized by ESSA. Unfortunately, the bill we are voting on undermines one of the great successes of the ESSA by significantly underfunding the Student Support and Academic Enrichment Grants. Congress intended these grants to go to school districts so they can provide locally-tailored programming and supportive services for students, including school-based mental health programs, drug prevention programs, expanded access to arts, music, and foreign language programs, and other programs that fit the needs of districts. I am grateful that my amendment to highlight the need for full funding of this program was included in the bill, but I am deeply disappointed that we have not committed to providing this critical resource to local communities.

Another central tenet of the ESSA was a commitment to reducing student testing, and making sure that states and school districts are able to audit their assessment systems and eliminate duplicative and ineffective tests.

The State Assessment Grants provide funding for these efforts, and I thank the Appropriations Committee for accepting my bipartisan amendment to fully fund these efforts.

The final bill includes my bipartisan amendment to increase funding for Women in Apprenticeship and Nontraditional Occupations Grants, which will provide tradeswomen in Oregon the support and assistance necessary to advance their careers and retain good-paying jobs. The bill also includes my amendment to fund Title VIII Nursing Workforce Programs through separate line-items, which will preserve funding for the individual programs, including Advanced Education Nursing; Nursing Workforce Diversity; Nurse Education, Practice, and Retention; and the Nurse Faculty Loan Program.

Additionally, my amendment to provide critical resources to combat coastal climate threats by highlighting the need for funding ocean acidification programs was adopted, as was my amendment to increase funding to mitigate harmful algal blooms. Ocean acidification and harmful algal blooms are decimating our oceans and lakes, destroying wildlife, and crippling our local economies. Increasing funding for NOAA's ocean acidification and harmful algal blooms programs will give our coastal communities additional resources to understand and address these threats.

Despite these victories, the bill did not earn my support because of the harmful cuts and policy riders that remain. The bill underfunds the Environmental Protection Agency and the National Oceanic and Atmospheric Administration, and undermines the National Oceans Policy. It eliminates Title X Family Planning, and eliminates funding for Teen Pregnancy Prevention Programs. The bill undermines the Affordable Care Act by prohibiting funding from being used to further provisions of the law, including ACA navigators. As Congress continues work on an FY2018 funding package, I urge my colleagues to put aside their partisan policy priorities and advance a bill that invests in our communities and sets them up for success.

FOREIGN AFFAIRS COMMITTEE MARKUP

HON. CHRISTOPHER H. SMITH

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 28, 2017

Mr. SMITH of New Jersey. Mr. Speaker, I wish to thank Chairman ROYCE for convening this mark-up on a number of substantive pieces of legislation. As our time is limited, I will focus on a few key items.

I am an original cosponsor of H.R. 3445, and I thank Chairman ROYCE and Ranking Member ENGEL, as well as my friend and colleague KAREN BASS, for trying to strengthen the African Growth and Opportunity Act.

I would like to thank my good friend and fellow member of the New Jersey delegation, ALBIO SIREs, for his bipartisan Global Health Innovation Act of 2017, H.R. 1660, of which I am a cosponsor.

This bill will allow us to exercise greater oversight over USAID programs and to gauge how effectively USAID is developing and utilizing innovations in health programs.

I support H.R. 3320 and commend Chairman YOHO for his work on this timely bill. The

Chinese Communist government has been slowly squeezing Taiwan's international space, taking extraordinary measures to exclude Taiwan from multi-lateral institutions like the World Health Organization.

Such exclusions create real international blind spots that pose threats to global health and security. As you all know, SARS spread from Taiwan and China to other parts of the globe.

With the World Health Organization in particular, I intend to push for admission of Taiwan.

I commend Ranking Member, Mr. ENGEL, along with Chairman YOHO, Mr. CHABOT, and Mr. SHERMAN, for putting together H. Res. 422, on Hong Kong.

The threats to Hong Kong's autonomy and its freedoms are real and progressing. These freedoms and the rule of law are vital economic interests of the United States and the foundation of the city's vitality, creativity, and entrepreneurial spirit.

Beijing has become more assertive in Hong Kong's affairs over the past several years and ramped up efforts to destroy the pro-democracy movement over the summer. Six legislations were disqualified through unprecedented interventions by the National People's Congress into Hong Kong's judiciary. The pan-democratic minority could stop pro-Beijing legislation in the past, but now it cannot. China can push through any measure it wants now with its block of unelected legislators.

And, as you all know, the Hong Kong government has re-sentenced the leaders of the peaceful Umbrella Movement of 2014. Joshua Wong, Nathan Law, and Alex Chow should now be considered Hong Kong's first political prisoners. They will not be the last, as new trails begin soon.

This resolution is needed but should not be our last word. That is why I introduced, along with Congressman TIM WALZA (a fellow CECC Commissioner), the Hong Kong Human Rights & Democracy Act—a bill that I introduced in the last Congress and which has been introduced by Senator MARCO RUBIO and Senator BEN CARDIN in the Senate.

I would urge my colleagues to consider this legislation and find ways to protect U.S. interests in a free and autonomous Hong Kong in addition to Ranking Member ENGEL's resolution which is before us today.

Hizballah is a cancer that has metastasized in Lebanon and threatens to invade nearly every corner of the region if we do not stay vigilant. H.R. 3329, introduced by Chairman ROYCE, would choke off additional sources of financial support for this malignant growth, particularly by targeting the group's grass roots fundraising enterprise that it expanded to circumvent existing sanctions. Building on the Hizballah International Financing Prevention Act that the House passed unanimously in 2015, this bill would require third-party sanctions on those who substantially support Hizballah fundraising operations.

The reports required in this legislation would also go further to ferret out the extent of the group's fundraising network, which it would rightly classify as a transnational criminal organization. Make no mistake: Hizballah is an international crime syndicate, wrapped in an Iranian paramilitary proxy, inside a terrorist organization, masquerading as a political resistance movement.

H.R. 3342 introduced by MIKE GALLAGHER would direct our government to use the tools

at its disposal to impose penalties on Hizballah for employing human shields to defend its installations and outposts. Hizballah's use of innocent human lives to protect its nefarious activities is a clear human rights violation and plainly demonstrates that Hizballah is an enemy of Lebanon's freedom-loving people. The bill also encourages the President to direct our Permanent Representative at the United Nations to use her voice and vote to push for a resolution condemning this sickening practice. I can confidently say that the United States could not ask for a stronger or more clear-eyed defender of American interests and the security of our most critical regional ally, Israel, at the UN than Ambassador Haley.

RECOGNIZING DAVID C. PUCKETT

HON. TIM WALBERG

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 28, 2017

Mr. WALBERG. Mr. Speaker, I rise today to recognize Mr. David C. Puckett as he completes 35 years of service as CEO of American 1 Credit Union, headquartered in Jackson, Michigan.

In 1982, David Puckett began his journey as General Manager of a small, local credit union which had 15 employees and two locations. Today, American 1 Credit Union has nearly 200 employees, provides service to 56,000 members, and has 13 branches located across the state.

David Puckett not only effectively shaped the fiscal success of American 1 Credit Union, but also forged a lasting legacy of giving back to the people of Jackson County. Over the years, American 1 has funded and provided manpower to support many community programs such as Rose Pageant scholarships, the Rose Parade, the Kids Fest program and the American 1 Grand Prix.

Throughout his tenure, David has brought the private and public sectors together in ways that have benefited the community. The most noteworthy example of these partnerships is the agreement made in 2016 in which American 1 will donate \$4 million towards the construction of a convention center in Jackson. The American 1 Credit Union Convention Center will be utilized for conferences, trade shows, weddings, and entertainment, and will foster the ongoing development of Jackson's downtown riverfront area.

David Puckett's leadership and spirit of cooperation will be remembered for years to come by all who continue to benefit from the results of his commitment. I congratulate David on an impressive career at American 1 Credit Union and wish him the best in the future.
